

## Product Dossier

Valid from:

07 April 2021

Version: 2.3

### General Information

Product code	10094		
Product name	Propolis liquid solution (40%)		
INCI	Alcohol, Propolis Extract		
Raw material	<i>Propolis cera</i>		
Shelf life	4 years with proper storage		
Storage conditions	Store in a dry place and away from direct sunlight or high heat. Keep in air tight containers at ambient temperature. Recommended storage temperature: 15 - 25°C		
Excipients / Carrier	Ethanol 96 % v/v	CAS number	-
Processing ratio	-	EINECS number	902-301-0
Particle Size	-	Package	5 L net. / 30 L net.

Recommended use of the product:	<input type="checkbox"/>	Food/dietary supplements
	<input type="checkbox"/>	Feed/animal nutrition
	<input checked="" type="checkbox"/>	Cosmetic-technical
	<input type="checkbox"/>	Other:

### Product specific properties

Parameter		Specification
Appearance		dark brown liquid
Odour		characteristic, ethanolic
Taste		characteristic, bitter, initially burning
Density (20°C)		0.93 – 0.95 g/cm <sup>3</sup>
pH – value		4.8 – 6.0
Dry residue		40.0 – 44.0 %
PAH <i>(according to VO 1881/2006/EC)</i>	Benzo(a)pyrene	max. 10.0 ppb
	Total PAH 4	max. 50.0 ppb

### List of ingredients

%	Ingredients / material composition	Country of origin
~ 60 %	Ethanol	EU
~ 40 %	Propolis Extract	China
